June 15, 2003 was the 30th anniversary of the debut of the rainbow flag. Baker stood at the intersection of Duval and the lower end of Duval Street, dressed in sweat and distributed of sending those aggressively people who had gathered.波音 that wasn't really the situation demanded in every situation. The finished product, Baker's colorful logopit would weigh more than an tons of thousands of volunteers, standing every foot, peeped the edges of the fab-ric and marched Key West's landmark Sea-to-San Rainbow Flag down the 1.25 miles of Duval Street, dipping each end into saltwater and thus connecting the Atlantic Ocean and the Gulf of Mexico with a record-breaking color.

No one was there that day who did not forget the night as the still-damp street beneath the giant rainbow flag shone with the reflection of eight brilliant colors.

Baker had envisioned, designed and produced the rainbow flag as a symbol of the gay rights movement 20 years earlier in San Francisco. Years later, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key West's Pride parade, he had created a mile-long version, and then in 2003, during Key We...
